**\*\* As you read each chapter/ segment, try to summarize the portion you just read by creating a Theme for each section. For example, as you read Matthew Chapter 1, you can write in your margins that the “Theme” for that chapter is “The genealogy of Jesus”. This will keep you engaged as you read. Later when you go back through these portions of scripture, you’ll be able to at a glance, know the theme for that section. This is a study tool that has helped me greatly understand scripture as I read it.**
